Dear Dr. Tupponce:

On June 7, 2019, the **Department Of Health And Human Services** conducted a second revisit survey and determined that your hospital is in compliance with the Medicare Conditions of Participation for Hospitals at 42 C.F.R. Part 482.

Your planned termination from the Medicare program on 6/30/2019 has been rescinded. Based upon this determination, your hospital is returned to "Deemed" status based upon its accreditation by the **Joint Commission**. Your hospital is no longer under State Survey Agency jurisdiction.

We thank you for your cooperation and look forward to working with you on a continuing basis in the administration of the Medicare program.

Sincerely,
